

DISCO FEVER

The over the top glitz and glamour of New York's iconic Studio 54 nightclub inspires this party season trend. Bedazzled mules, disco platform sandals and sexy high boots lead the way for occasion shoes. Whilst drawstring pouches in luxe metallic velvet or fully embellished with sequins make the perfect going-out-dancing bag. Rhinestoned berets, marabou feathers and faux furs add a touch of disco styling to the overall look. Jewellery pieces include fully diamanté embellished body chains, head dresses, fringed necklaces and earrings which make the wearer appear to be dripping in jewels.
